Andover Families,

A few updates to our lunch program starting the week of November 30, 2020 through January 15, 2020:

1. There will no longer be any lunch order forms to fill out.
2. Breakfast and lunch will be provided for 7 days.
3. Pick up time at LPS will change to 1:15pm to 2:15pm, signs will be posted for pickup location.

There will now be two pick up days as follows:

1. On Mondays you can pick up meals for Monday, Tuesday and Wednesday.
2. On Thursday, you can pick up meals for Thursday, Friday, Saturday and Sunday.

Please note that anyone 18 and under is eligible to receive meals in our community. Therefore, we encourage all parents to pick up meals for their child(ren) regardless of whether they are enrolled in our district.

Should you not be able to pick up your meals on a day, you can send anyone else to pick up meals for your child(ren) during this time. No information will be asked from anyone picking up meals. You will just need to inform us of the number of child(ren) you are picking up for.

Please contact Nicole Sylvester at [nsylvester@andoverregional.org](mailto:nsylvester@andoverregional.org) or 973-315-5254 ex. 404 for any questions.
